SPECIAL HEALTH REQUESTS

Aqua Fantasy Aquapark Hotel & Spa offers a service approach that is sensitive to the special needs of its guests. For guests with special dietary requirements, meals can be prepared to suit sensitivities such as high blood pressure, allergies, diabetes, gluten intolerance, and similar conditions.

Guests simply need to contact the hotel management to make such requests. Support is provided within the scope of available resources for pregnancy, allergies, asthma, or conditions requiring special care. Room service can be provided when necessary. Additional arrangements can be made, such as requesting a room close to common areas and twice-daily room cleaning if needed.

DISABILITY-FRIENDLY SERVICE

The facility is designed to be wheelchair accessible. Ramps, wide passageways, and accessible usage options are provided in common areas. Appropriate arrangements are in place for guests with walking disabilities to access the beach and pool areas.

The accessible rooms feature bathrooms with grab bars, wide doorways, and low-level sinks and mirrors. Access to the elevator, restaurant, pool, and common areas has been made easier. There are also designated parking spaces for guests with disabilities within the facility.

****The scope of paid and complimentary services offered within the property, as well as their content and operational details, are determined by the hotel management and communicated to guests accordingly.**
